Thank you for your letter of January 20, 1976 advising us of your having filed the annual report for 1976 and providing us with a copy of the report and your check for the assessment fee. Enclosed is our check for \$10.00 to reimburse you for the assessment fee.

We noted that in addition to the foregoing, enclosed with your letter were the envelope for mailing the annual report and the original copy of that report. I am returning them herewith in the event that they inadvertently did not accompany your check for the assessment fee.

Sincerely,

[REDACTED]
